Pedagogia da Educação Infantil: Avanços, Desafios e Tensões (Portuguese Edition) Jacqueline da Silva Gonçalves

É com muita satisfação que apresento o meu primeiro livro. Esta obra é resultado de minha pesquisa de Mestrado, com mesmo título, na qual investiguei quais são os elementos que compõem uma Pedagogia da Educação Infantil apresentados pela produção acadêmica no período de 1999 até 2007. Os motivos que me levaram a publicá-la são justificados pela relevância e atualidade do tema. Convido a todos/as para lerem este livro que retrata um trabalho tão gratificante para mim, que sou uma educadora muito envolvida nas questões referentes à Educação Infantil, e também uma defensora da Pedagogia da Educação Infantil.
