## Steven Berkoff Plays 3 (Faber Contemporary Classics) Steven Berkoff

This is a collection of three history plays, each displaying the sparkling muscularity of language that marks Berkoff out as one of the foremost wordsmiths in the English language. Set in thirteenth-century England, *Ritual in Blood* looks at the persecution of the Jews. *Messiah* begins with the image of Christ on the cross and pits His humanity and transcendent goodness against the evil of those who would kill Him. Finally, Berkoff offers a sharp and accessible adaptation of Sophocles's *Oedipus* tragedy.
