The Law And Higher Education: Cases And Materials on Colleges in Court Third Edition Michael A. Olivas

Now in its third edition, this book reflects the extraordinary growth in 'the law of higher education' and the accompanying rise in scholarship and commentary on higher education law and governance. The case selection reflects major themes and issues. To this end, cases with interesting facts but less precedential value, news accounts of fascinating developments, and insights and articles from scholars and practitioners have also been used. The result is a unique book on a rapidly growing area of law and society.
