For readers who are tired of the promotional fluff and brochure-speak that characterizes most travel guides, here's a fresh voice. The Irreverent Guides offer an insiders look at each destination, and take a fun, honest look at everything they review. It's not every day you open up a guidebook to find categories like: *Most overrated museums* *Weirdest bunch of public statuary* *Bars where you can hear yourself think* *Where the supermodels eat and where they don't* *Eurotrashiest hotels* *Hotels for people who hate conventioners* *Luscious love nests and lavender lodgings* *Restaurants that don't live up to the hype* *Swingin supper clubs with attitude* The Irreverents give you the lowdown, the inside story. They have nothing to sell but the truth, which includes a balance of good and bad. They praise, they trash, they weigh, and leave the final decision up to the reader. Our writers take a special pleasure in leading you where other guides fear to tread.
