Kings of Midnight (Crissa Stone Novels) Wallace Stroby

Crissa Stone is a career criminal who has pulled a number of impressive heists by knowing how to keep her mouth shut and her temper in check. Still, as good as she is, she wants to get out of the life. All she needs is one last big score, enough to bribe her lover's way out on parole, set up a safe and stable new life, and get her daughter back. However, things keep going wrong, like when her last two partners lost their cool and fought over the take instead of walking away \$150K richer. The mess they made of the job and each other has put her on the run again.

She's not the only one. Benny Roth, a former mobster, has been straight for years, but now he has his own problems. A face from the past has popped up to tell him that boss Joey Dio is finally dead and to ask about the five million dollars that Joey was rumored to have stashed away years ago. Benny denies knowing anything about it and claims he's out of the business. That may be what he says, but he's willing to risk almost everything for one last shot.

With the law and mobsters on the lookout and five million dollars on the line, it isn't long before Crissa and Benny find themselves on a collision course that neither of them can avoid. This hard-boiled world, where the stakes---and the risks---are always high, unfolds at breakneck speed in *Kings of Midnight*, another dark and thrilling masterwork of crime fiction from Wallace Stroby.
