Macbeth: A Novel A.J. Hartley, David Hewson

This is not your parents' *Macbeth* or the one you read in high-school English class. A dark and bloody tale of a Scottish lord and his beloved wife, *Macbeth: A Novel* hurtles toward readers in gripping contemporary prose, thanks to novelists David Hewson and A. J. Hartley.

Set in eleventh-century Scotland, *Macbeth: A Novel* is rich with ancient clans battling fiercely against one another and against the foreign marauders raiding their borders. Macbeth, Lord of Moray, and his wife, Skena, are loyal patriots, willing to kill or be killed to protect the Scottish kingdom. Yet the greatest danger to their beloved homeland is proving to be the king himself, Duncan, whose corrupt, bloody reign threatens to destroy the country. After Macbeth meets a trio of witches, the frustrated hero begins to think that perhaps Scotland needs a new king—him. But what begins as a plan fueled by the best of intentions soon spirals into murder, treachery, and personal collapse. In the language of today's fast-paced thrillers, Hewson and Hartley create an electrifying tapestry out of Shakespeare's tale, relaunching two of the most powerful characters ever created.

From reader reviews:

Larry Munoz:

Book is actually written, printed, or created for everything. You can recognize everything you want by a reserve. Book has a different type. As you may know that book is important issue to bring us around the world. Beside that you can your reading ability was fluently. A publication Macbeth: A Novel will make you to end up being smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think in which open or reading the book make you bored. It is not make you fun. Why they can be thought like that? Have you trying to find best book or suited book with you?

Lynette Petree:

Nowadays reading books become more than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of e-book you read, if you want have more knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. Typically the Macbeth: A Novel is kind of guide which is giving the reader erratic experience.

Juli Gadberry:

Are you kind of stressful person, only have 10 as well as 15 minute in your time to upgrading your mind skill or thinking skill actually analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your limited time to read it because all of this time you only find e-book that need more time to be learn. Macbeth: A Novel can be your answer as it can be read by anyone who have those short time problems.

Hoyt Knapp:

A lot of reserve has printed but it is different. You can get it by internet on social media. You can choose the top book for you, science, comic, novel, or whatever by simply searching from it. It is referred to as of book Macbeth: A Novel. You can contribute your knowledge by it. Without causing the printed book, it can add your knowledge and make anyone happier to read. It is most important that, you must aware about e-book. It can bring you from one place to other place.
