This is an interactive Bible verse colouring book: instead of just colouring the pictures, the first step is to find the verse in the Bible, then add the quote into the picture and finally colour the whole artwork.

The book is ideal for teenagers and adults who enjoy colouring and want to meditate on God's word at the same time. As you are doodling and colouring, let the Bible verses and pictures inspire you. The process of creating your own Bible verse art will help you memorise the verses – and draw closer to God.

The book contains a variety of designs from easy to more intricate. All the Scripture quotes are there to inspire and uplift you.

The pictures are printed on one side of the page only, so you can remove your Bible verse art to display as an ongoing inspiration.
