V.S. Pritchett

A Careless Widow and Other Stories (Bloomsbury Reader) V.S. Pritchett

First published in 1989, here is England's leading man of letters-as old as the century-at the height of his powers, the incomparable V. S. Pritchett, whose brilliantly observed short stories have become classics in his own lifetime. In these six beautifully crafted stories-his latest effort-we see a master at work, casting his eye over the subjects he knows best, the ordinary men and women of England: studious fourteen- year-old Sarah, whose life is changed by a game of hide-and-seek; or Lionel Frazier, the hairdresser, who looks at a woman and sees only her head; or George Andrews, the salesman, for whom new floral carpeting is always an exciting omen.

The genius of these stories is their familiarity-almost everyone will recognize a moment or a revelation of his own life in the experiences of Pritchett's utterly individual and incomparably real characters. Renowned in both the United States and England, Pritchett celebrates his eighty-ninth birthday with the publication of these six masterpieces. V. S. Pritchett's admirers and those lucky enough to be discovering him for the first time will find in *A Careless Widow* the work of a major talent at its best.
