## **CHAOS COMPENDIUM La magie des Illuminati de Thanateros (Camion Noir) (French Edition)**

Peter J. Carroll

La « Magie du Chaos » (ou Chaos Magic), dont il est question dans cet ouvrage, est une mouvance récente de la magie s'étant développée parallèlement à d'autres systèmes modernes tels que la Magick d'Aleister Crowley, la Wicca ou le New Age. Adogmatique, voire hérétique, la Magie du Chaos laisse aux pratiquants pleine liberté pour tester plusieurs outils, mélanger les genres, passer d'un paradigme à un autre, recourir à des univers de fiction, etc., sans rejeter pour autant le fond mystique qui sous-tend toute magie, non seulement comme praxis, mais également comme voie spirituelle. L'expression « Magie du Chaos » a été popularisée par les Illuminati de Thanateros, un ordre magique fondé en 1978 par Peter J. Carroll. Bien que populaire dans le monde anglophone, la scène magique francophone demeurait jusqu'ici orpheline d'un ouvrage susceptible de lui ouvrir la voie vers les pratiques et rituels des Illuminati de Thanateros. Voilà qui est fait grâce à ce livre proposant un panel de textes de Peter J. Carroll et qui se veut une introduction à la pensée du « plus original et probablement du plus important écrivain de la Magie depuis Aleister Crowley », ainsi que l'a formulé Robert Anton Wilson.
