## **Institutes of the Christian Religion, Vol. 2 of 3 (Classic Reprint)** Jean Calvin

On the Manner of receiving the Grace of Christy Benefits which we derive from it, and the Effects xohich follow it. ARGUMENT. 1HE two former books relate to God the Creator and Redeemer. This treats of God the Sanctifier, or of the operations of the Holy Spirit towards our salvation, being an accurate exposition of the third part of the Apostles Creed. The principal topics of this are seven, relating chiefly to one object, the doctrine of faith. First, Since our enjoyment of Christ and all his benefits depends on the secret and special operation of the Holy Spirit, it discusses this operation, which is the foundation of faith, newness of life, and all holy exercise Chap. I. Secondly, Faith being as it were the hand by which we embrace Christ the Redeemer, as offered to us by the Holy Spirit, it next adds a complete description of faith Chap. H. Thirdly, To improve our knowledge of this salutary faith, it proceeds to shew the effects which necessarily result from it; and contends that true penitence is always the consequence of true faith. But first it proposes the doctrine of repentance in general Chap. HI: and then treats of the Popish repentance and its constituent parts Chap. IV. of indulgences and purgatorial fire Chap. V. But institutes a particular discussion of the two branches of true penitence, the mortification of the flesh, and the vivification of the spirit, or the life of a Christian, which is excellently described Chap. VI. VII. VIII. IX. X. Fourthly, In order to a clearer display of the advantages and consequences of this faith, it first treats of justification by faith Chap. XI. then explains the questions which arise from it Chap. XII. XIII. XIV. XV. XVI. XVII. XVIII and, lastly, proceeds to a dissertation on Christian liberty, which is an appendage to justification Chap. (Typographical errors above are due to OCR software and don't occur in the book.)
