The Struggle for Happiness is a collection of loosely interwoven stories that explore the condition of a series of finely drawn characters and their various desires—desires for love, belonging, home, and happiness. Ranging in tone from utopian visions to stark realism and populated by a unique collection of women—from the guitarist whose supposedly dead lover turns up at one of her concerts, to the professor who has lost her ability to trust in anything; from the psychic at a popular gay resort, to the critic and would-be writer—the pieces in *The Struggle for Happiness* are sure to delight and astonish longtime fans of Ruthann Robson and new readers alike.
