Water Wow! (A Visual Exploration) Paula Ayer, Antonia Banyard

A colorful infographic look at the many surprising and fascinating facts about water.

Where did water come from before it got to Earth? Why is the water you drink the same stuff that was around when dinosaurs were alive? If water can't be created or destroyed, how can we run out? Find out the answers to these and many more intriguing questions in this vibrant book, designed to appeal to visual learners.

Dive in and discover why water is so important to different religious faith, amazing extreme lakes and rivers around the world, the surprising connection between water access and girls' education worldwide, how climate change affects water, and vice versa — and what you can do about it.

Filled to the brim with colorful illustrations and diagrams, easy-to-understand infographics, and illuminating photos, *Water Wow!* is a dazzling and fun introduction to the importance of water in our lives.
