**Between a Church and a Hard Place: One Faith-Free Dad's Struggle to Understand What It Means to Be Religious (or Not)** Andrew Park

**Read Andrew Park's post on the Penguin Blog.**

At age thirty-five, Andrew Park hit a parenting snag. Teaching his children about ethics, good manners, and how to shoot a free throw posed no problem. When they started asking about religion, he came up empty-handed. Raised in a faith-free family where teenage rebellion meant being born again as an evangelical Christian (as his brother did), Park always believed he'd be a nonbeliever. (And his lapsed Christian wife thought the same.) But when his children ask if God is real, he knows it is his responsibility to try and find the answer. *Between a Church and a Hard Place* is the often funny yet deeply tender story of that quest. It follows the author as he tries to reconcile his upbringing with the demands and liabilities he faces as a young father. He realizes with alarming clarity that if he doesn't provide some answers, someone else gladly will.

As he searches for middle ground, Andrew Park addresses the hot-button questions surrounding faith and freedom and explores the polar reaches of religion in America. Along the way he uncovers what it means to embrace faith-or not-while still being a good role model, and more important, still being true to himself.
