## **Buddha's Little Finger** Victor Pelevin

Russian novelist Victor Pelevin is rapidly establishing himself as one of the most brilliant young writers at work today. His comic inventiveness and mind-bending talent prompted **Time** magazine to proclaim him a "psychedelic Nabokov for the cyber-age." In his third novel, **Buddha's Little Finger**, Pelevin has created an intellectually dazzling tale about identity and Russian history, as well as a spectacular elaboration of Buddhist philosophy. Moving between events of the Russian Civil War of 1919 and the thoughts of a man incarcerated in a contemporary Moscow psychiatric hospital, **Buddha's Little Finger** is a work of demonic absurdism by a writer who continues to delight and astonish.
