Wind in the Rock: The Canyonlands of Southeastern Utah

Ann H. Zwinger

Wind in the Rock: The Canyonlands of Southeastern Utah Ann H. Zwinger

Lively, readable nature writing. As she details several treks through the beautiful, rocky canyons, [Zwinger's] feel for the animals and plants native to this arid region enhances the precise sketches which punctuate the text. Readers interested in ancient Indian cultures of the Southwest will also find fascinating reading, as Zwinger describes their campsites and lifestyles. —Library Journal
