## **A caixa de Natasha e outras histórias de horror (Portuguese Edition)** Melvin Menoviks

Um estranho retrato pendurado no corredor da casa de sua avó causa um assombroso fascínio no jovem Alfredo, em "O retrato tétrico". Duas irmãs sozinhas em casa em um dia nublado, frio e silencioso revelam um segredo que talvez devesse ter permanecido oculto para todo o sempre, em "As inocentes". A mais pura essência do medo e do terror, personificada em "Malpurga", é finalmente superada por um homem no começo da velhice – será?

A caixa de Natasha e outras histórias de horror reúne 17 contos, 3 poemas e uma narrativa longa do estreador Melvin Menoviks. As histórias, originais e aterrorizantes, exploram várias facetas da ficção de horror, desde o terror psicológico sutil até o exagero escatológico de sangues e carnificinas, passando por todos os sinistros mistérios que existem entre esses dois extremos.

Não se atreva! Após tensão e suspense crescentes, a atormentadora revelação final de "A caixa de Natasha" poderá causar pesadelos eternos mesmo no mais corajoso dos leitores.
