Erasing Hell: What God Said about Eternity, and the Things We've Made Up Francis Chan, Preston Sprinkle

How could a loving God send people to hell? Will people have a chance after they die to believe in Jesus and go to heaven?

With a humble respect for God's Word, Francis Chan and Preston Sprinkle address the deepest questions you have about eternal destiny. They've asked the same questions. Like you, sometimes they just don't want to believe in hell. But as they write, "We cannot afford to be wrong on this issue."

This is not a book about who is saying what. It's a book about what God says. It's not a book about impersonal theological issues. It's a book about people who God loves. It's not a book about arguments, doctrine, or being right. It's a book about the character of God.

Erasing Hell will immerse you in the truth of Scripture as, together with the authors, you find not only the truth but the courage to live it out.

A pastor and church planter based in San Francisco, **Francis Chan** speaks to tens of thousands of people around the world every year. Known for his passionate, biblical style, Chan is on the board of World Impact and is the author of *Forgotten God*, *Erasing Hell*, and *Crazy Love*, which has sold nearly two million copies.
