Not Quite A Bride Kirsten Sawyer

A hilarious and heartwarming debut novel of big dreams, big days, and even bigger lies. . .

Molly Harrigan has always dreamed of the perfect wedding, she just never thought she'd be in scores of them as the bridesmaid. Now on her thirtieth birthday—after her younger, married sister announces that she's pregnant—Molly's old dream takes on an all-new urgency.

It doesn't help matters that her best friend Brad drops the bomb that he's engaged to his spoiled brat of a girlfriend. Devastated, Molly does what almost no one in the same situation would do. With a giant wedding fund burning a hole in her pocket (courtesy of her late, beloved grandmother), Molly hires a fiancé.

Now armed with the perfect boyfriend, Molly stages a whirlwind courtship, engagement, and grand-ballroom-style wedding. Lying to her friends and family is a small price to pay for cake-tastings, gift registries, and dress fittings. But lying to herself could cost Molly her one chance at true love—with a man whose feet are turning as cold as her own. . .

Brooks Davis:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Not Quite A Bride can make you sense more interested to read.
