We Came Here to Play takes place in a futuristic community in the Escalante of southern Utah. It is a story of empowerment, connection, and triumph, as six interdimensionals separately find their way through a time-space wormhole to "play the game" hosted by the community. They are the millennials from this time-space reality-each with unique gifts. The questions they seek to answer in the game weave their paths together and anchor them in what it is to live in a world free of fear, separation, and not-enoughness, so they can return and help pull us through to that possibility.
