What Is Yet to Come (The New Inductive Study Series) Kay Arthur

Bible readers, Sunday school teachers, and study leaders have loved Kay Arthur's New Inductive Study Series since 1994, and now, 17 years and 1.4 million copies later, the collection is complete!

As readers learn and practice the exciting principles of inductive Bible study, they will discover for themselves the meaning and relevance of well-known but seldom understood images from the book of Ezekiel, including the wheel in the wheel, the valley of dry bones, and the watchman on the wall. As they become adept at observing the text, interpreting its meaning, and applying it to their lives, they will follow the story of Ezekiel from the heartbreak of the fall of Jerusalem and the Babylonian captivity to the inexpressible joy of worship in the heavenly tabernacle.
