Few teens dream of being ordinary. They seek to be significant, remarkable, memorable. They seek to lead lives that matter. Fortunately, Jesus set the standard in being anything but ordinary. In this five-week series, teens will be engaged in thought-provoking conversations about several unforgettable moments from the life of Jesus - moments that demonstrated how lives changed every time heaven and earth collided. When do heaven and earth collide in the lives of your teenagers? When Jesus becomes real in their lives and in this world. When they become followers of Jesus, not just fans of Jesus. When they obey Jesus' words about community and surround themselves with other people building God's kingdom. When they fully allow God to define their lives and their hearts. When they minister and serve now, instead of waiting until they're older. This DVD-based curriculum has 5 insightful lessons, discussion guides, promo materials, all editable and reproducible.
