José María González Ochoa

**Protagonistas desconocidos de la Conquista de América (Spanish Edition)** José María González Ochoa

## **Hazañas y hechos memorables de grandes héroes y pioneros anónimos olvidados por la historia.**

El lector encontrará en *Protagonistas desconocidos de la Conquista de América* decenas de biografías que se caracterizaron por su papel pionero, arriesgado, singular o diferente al que parecían determinados. Hombres y mujeres que abrieron caminos durante el primer siglo del descubrimiento, dominación y organización territorial de América, caminos que luego anduvieron otros muchos, pero que fueron olvidados o ensombrecidos por el paso del tiempo.

De la mano de **José María González Ochoa**, experto en la Conquista, conocerá las vidas y hazañas de personajes singulares, de héroes anónimos, de marinos y navegantes excepcionales que pocos recuerdan, de mujeres pioneras que desafiaron las convenciones de su época, de religiosos tan memorables por sus acciones evangélicas como el mejor de los santos y otros tan deleznable como el peor de los demonios.

## **Razones para comprar la obra:**

- *Su autor goza de gran prestigio en el mundo académico y editorial. Ha participado como coordinador o conferenciante en numerosos congresos y seminarios sobre la historia de América, tanto en España como en Hispanoamérica.*
- Este ensayo abarca un periodo histórico muy atractivo, la Conquista, lleno de personajes singulares y de gestas heroicas que continuamente son retratadas en novelas, exposiciones y producciones cinematográficas.
- Este ensayo recoge la biografía y peripecias de grandes personajes de la Conquista que aun mereciéndolo no han conseguido gran renombre: héroes, marinos, navegantes, hombres y mujeres que hasta ahora no han recibido el reconocimiento que merecen.
- La obra posee gran rigor histórico, gracias a las fuentes bibliográficas de máxima calidad estudiadas por el autor, pero a su vez con estilo ameno y fluido.

Conquistadores, navegantes, exploradores, hombres y mujeres de a pie y a caballo, nativos, mestizos y africanos, todos ellos protagonistas pioneros del descubrimiento, exploración y conquista de América, pero que han quedado olvidados en los libros de historia.
