**The Interpreter: A Novel** Suki Kim

**A striking first novel about the dark side of the American Dream**

Suzy Park is a twenty-nine-year-old Korean American interpreter for the New York City court system. Young, attractive, and achingly alone, she makes a startling and ominous discovery during one court case that forever alters her family's history. Five years prior, her parents--hardworking greengrocers who forfeited personal happiness for their children's gain--were brutally murdered in an apparent robbery of their fruit and vegetable stand. Or so Suzy believed. But the glint of a new lead entices Suzy into the dangerous Korean underworld, and ultimately reveals the mystery of her parents' homicide.

An auspicious debut about the myth of the model Asian citizen, *The Interpreter* traverses the distance between old worlds and new, poverty and privilege, language and understanding.
