## **Women in Love** D. H. Lawrence

A powerful and engrossing tale of extremes and extremists, D. H. Lawrence's *Women in Love* follows the passionate relationships of two sisters, Gudrun and Ursula Brangwen, with their respective lovers, the ominous Gerald Crich and the charismatic but fragile Rupert Birkin. Beginning in a narrow-minded English colliery town and culminating amidst the ice and snow of the Alps, the abortive alliance between the two men and the couples' affairs are played out against the derangements of industrialism and the need to find new ways of living and better ways of dying.

A masterpiece that heralded the erotic consciousness of the 20th century, Lawrence considered *Women in Love* his best novel, exploring through it his belief that love is "the great creative process".
