**American Meteor (The American Novels)** Norman Lock

***Publishers Weekly* “Book of the Year”**

“Sheds brilliant light along the meteoric path of American westward expansion. . . . [A] pithy, compact beautifully conducted version of the American Dream, from its portrait of the young wounded soldier in the beginning to its powerful rendering of Crazy Horse's prophecy for life on earth at the end.” —**NPR**

“Like all Mr. Lock’s books, this is an ambitious work, where ideas crowd together on the page like desperate men on a battlefield.” —***Wall Street Journal***

*In this panoramic tale of Manifest Destiny, Stephen Moran comes of age with the young country that he crosses on the Union Pacific, just as the railroad unites the continent. Propelled westward from his Brooklyn neighborhood and the killing fields of the Civil War to the Battle of Little Big Horn, he befriends Walt Whitman, receives a medal from General Grant, becomes a bugler on President Lincoln’s funeral train, goes to work for railroad mogul Thomas Durant, apprentices with frontier photographer William Henry Jackson, and stalks General George Custer. When he comes face-to-face with Crazy Horse, his life will be spared but his dreams haunted for the rest of his days.*

*By turns elegiac and comic, American Meteor is a novel of adventure, ideas, and mourning: a unique vision of America’s fabulous and murderous history.*

**Norman Lock** is the award-winning author of novels, short fiction, and poetry, as well as stage, radio, and screenplays. His recent works of fiction include the short story collection *Love Among the Particles*, a *Shelf Awareness Best Book of the Year*, and the first book of the *American Novels* series: *The Boy in His Winter*, a re-envisioning of Mark Twain’s classic *The Adventures of Huckleberry Finn*, which Scott Simon of *NPR’s Weekend Edition* hailed for “mak[ing] Huck and Jim so real you expect to get messages from them on your iPhone.” He lives in Aberdeen, New Jersey.
