One part practical guide, one part inspirational volume on creating a look for the home, the book pairs humorous anecdotes about the pitfalls and pleasures of renovation with a treasure trove of decorating tips: how to use both boutique and flea-market finds; how to inject lots of personality into a room affordably; how to decorate kids' rooms so they appeal to children and adults; how to easily rehabilitate outdated furnishings; and many more. In each of the ten projects featured—which include a townhouse in New York City, a country house in Massachusetts, and a beach house in Brazil—before and after shots document the agony and ecstasy of any renovation project, as well as revealing the design duo's vision and remarkable ability to see through the most awful of spaces to the amazing home that lies within.
