The Burgess Animal Book for Children (Illustrated) Thornton W. Burgess

Following the success of "The Burgess Bird Book for Children," Thornton W. Burgess' fans clamored for more, thus prompting the author to produce "The Burgess Animal Book for Children," a work similar to its predecessor. In this work the author instead turns his attention to the four-legged animals that populate the natural landscape of North America. Whimsically told through a conversation between Old Mother Nature and Peter Rabbit, characters that fans of Burgess' work will recognize from his other books, The Burgess Animal Book for Children is a delightful and educationally entertaining work of naturalism. Originally published in 1920, The Burgess Animal Book for Children included the beautiful illustrations of artist Louis Agassiz Fuertes, reproduced here in this edition in black and white, which readers will be familiar with from the earlier "Burgess Bird Book." "The Burgess Animal Book for Children" is a beautiful work that will not only enchant readers of all ages but just may inspire the inner naturalist in all who are so lucky to read it.

From reader reviews:

Joyce Johnson:

In this 21st one hundred year, people become competitive in each and every way. By being competitive right now, people have do something to make them survives, being in the middle of the particular crowded place and notice by surrounding. One thing that occasionally many people have underestimated the item for a while is reading. That's why, by reading a e-book your ability to survive enhance then having chance to stand than other is high. In your case who want to start reading a book, we give you this specific The Burgess Animal Book for Children (Illustrated) book as nice and daily reading e-book. Why, because this book is more than just a book.

Micheal Ruiz:

As people who live in the modest era should be update about what going on or details even knowledge to make these people keep up with the era which is always change and progress. Some of you maybe will probably update themselves by studying books. It is a good choice in your case but the problems coming to a person is you don't know what type you should start with. This The Burgess Animal Book for Children (Illustrated) is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Jonathan Ouzts:

People live in this new day time of lifestyle always make an effort to and must have the free time or they will get wide range of stress from both way of life and work. So , once we ask do people have time, we will say absolutely yes. People is human not a robot. Then we ask again, what kind of activity have you got when the spare time coming to a person of course your answer will probably unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, typically the book you have read is definitely The Burgess Animal Book for Children (Illustrated).

Betty Neal:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Burgess Animal Book for Children (Illustrated) can make you really feel more interested to read.
