**American Educational History: School, Society, and the Common Good** William H. Jeynes  
**American Educational History: School, Society, and the Common Good** is an up-to-date, contemporary examination of historical trends that have helped shape schools and education in the United States. Author William H. Jeynes places a strong emphasis on recent history, most notably post-World War II issues such as the role of technology, the standards movement, affirmative action, bilingual education, undocumented immigrants, school choice, and much more!
