Lumieres sur les forces de l'ombre: Une perspective canadienne sur les Forces d'operations speciales (French Edition)

Lumieres sur les forces de l'ombre: Une perspective canadienne sur les Forces d'operations speciales (French Edition)

Les Forces d'opérations spéciales (SOF) n'ont jamais fait partie intégrante des capacités militaires du Canada. Des unités spéciales ont certes existé à certaines périodes de notre histoire, mais elles ont toujours œuvré dans l'ombre, à la limite de la reconnaissance. Elles ont presque toujours été marginalisées. Cependant, la tragique attaque lancée par des terroristes sur les tours jumelles du *World Trade Center* à New York, le 11 septembre 2001, a considérablement modifié leur image. Les SOF sont devenues depuis des forces de premier plan. Les essais qui forment cet ouvrage concernant les SOF ont été rédigés par des experts en la matière. Pris collectivement, ils constituent un recueil exhaustif d'informations et de connaissances sur les SOF canadiennes et sur des questions et sujets qui s'y rapportent. En somme, l'ouvrage permet au lecteur d'acquiescir une solide base sur la théorie, le contexte historique et l'évolution des SOF, y compris les événements qui favorisent leur expansion.
