Linda Rosenkrantz

Talk (New York Review Books Classics) Linda Rosenkrantz

Talk is a hilariously irreverent and racy testament to dialogue: the gossip, questioning, analysis, arguments, and revelations that make up our closest friendships. It's the summer of 1965 and Emily, Vincent, and Marsha are at the beach. All three are ambitious and artistic; all are hovering around thirty; and all are deeply and mercilessly invested in analyzing themselves and everyone around them. The friends discuss sex, shrinks, psychedelics, sculpture, and S and M in an ongoing dialogue where anything goes and no topic is off limits. *Talk* is the result of these conversations, recorded by Linda Rosenkrantz and transformed into a novel whose form and content put it well ahead of its time. Controversial upon its first publication in 1968, *Talk* remains fresh, lascivious, and laugh-out-loud funny nearly fifty years later.
