**American Justice 2015: The Dramatic Tenth Term of the Roberts Court** Steven V. Mazie

*American Justice 2015: The Dramatic Tenth Term of the Roberts Court* is the indispensable guide to the most controversial and divisive cases decided by the Supreme Court during the past year. Steven Mazie, Supreme Court correspondent for *The Economist*, examines the term's fourteen most important cases, tracing the main threads of contention and analyzing the expected impacts of the decisions on the lives of Americans. Legal experts and law students will be drawn to the lively summaries of the issues and arguments, while scholars and theorists will be engaged and provoked by the book's elegant introduction, in which Mazie invokes John Rawls's theory of "public reason" to defend the institution of the Supreme Court against its many critics.

Mazie contends that the Court is less ideologically divided than most observers presume, issuing many more unanimous rulings than 5-4 decisions throughout the term that concluded in June 2015. When ruling on questions ranging from marriage equality to freedom of speech to the Affordable Care Act, the justices often showed a willingness to depart from their ideological fellow travelers—and this was particularly true of the conservative justices. Chief Justice Roberts joined his liberal colleagues in saving Obamacare and upholding restrictions on personal solicitation of campaign funds by judicial candidates. Justice Samuel Alito and the chief voted with the liberals to expand the rights of pregnant women in the workplace. And Justice Clarence Thomas floated to the left wing of the bench in permitting Texas to refuse to print a specialty license plate emblazoned with a Confederate flag. *American Justice 2015* conveys, in clear, accessible terms, the arguments, decisions, and drama in these cases, as well as in cases involving Internet threats, unorthodox police stops, death-penalty drugs, racial equality, voting rights, and the separation of powers.

#### **Irma Chavez:**

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this American Justice 2015: The Dramatic Tenth Term of the Roberts Court can make you feel more interested to read.

#### **Rodolfo Buker:**

What is your hobby? Have you heard that question when you got scholars? We believe that that query was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person like reading or as reading through become their hobby. You should know that reading is very important as well as book as to be the matter. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You find good news or update in relation to something by book. Different categories of books that can you choose to use be your object. One of them is niagra American
