Hypoplasia (Battitore libero) (Italian Edition)

Monica Ravalico

Hypoplasia (Battitore libero) (Italian Edition) Monica Ravalico

Scrivere è lenitivo. Un balsamo per le anime scorticate nei rovi di un'esistenza difficile.

Monica Ravalico, con il suo romanzo Hypoplasia, ha trasceso la mera composizione formale ed estetica. La storia che racconta vive di un'anima propria, di porte chiuse in faccia, lacrime, cicatrici, delusioni, ululati di dolore, cambi di case, città, residenza, amici e amori. Eppure, nulla è ostentatamente gridato, al contrario è il lettore che si appropria della vicenda e ne sfuma i contorni. E mentre lo fa, viene inesorabilmente catturato in una sorta di labirinto a-temporale e a-spaziale in cui la realtà effettuale è fragile e anzi proprio nella staticità degli eventi in cui i personaggi sono bloccati sta la vera forza di questo romanzo fortemente autobiografico. Due i protagonisti le cui storie scorrono parallele.

Quella di un giovane albanese giunto in Friuli-Venezia Giulia che dopo una brutta esperienza sul territorio italiano cerca di tornare in patria via mare: le pagine ambientate sul mare Adriatico sono straordinarie. E quella di una donna inquieta costretta a guardarsi alle spalle.

Un romanzo intenso che invita a riflettere sul dualismo false certezze e desiderio di fuga.

From reader reviews:

Phyllis Peters:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The info you get based on what kind of reserve you read, if you want drive more knowledge just go with knowledge books but if you want feel happy read one together with theme for entertaining such as comic or novel. The Hypoplasia (Battitore libero) (Italian Edition) is kind of reserve which is giving the reader erratic experience.

Donna Bauer:

Information is provisions for those to get better life, information nowadays can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider whenever those information which is from the former life are challenging be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you find the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Hypoplasia (Battitore libero) (Italian Edition) as your daily resource information.

Tara Gamboa:

Reading a reserve tends to be new life style on this era globalization. With examining you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A lot of author can inspire their particular reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this Hypoplasia (Battitore libero) (Italian Edition).

George Rodriguez:

Many people spending their time period by playing outside with friends, fun activity having family or just watching TV all day every day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book can definitely hard because you have to use the book everywhere? It ok you can have the e-book, taking everywhere you want in your Cell phone. Like Hypoplasia (Battitore libero) (Italian Edition) which is having the e-book version. So , why not try out this book? Let's observe.
