As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself.
