## **The Prophecy of Amos - A Warning for Today: Bible Study Guide** Mathew Bartlett

The virtually unknown prophet Amos bursts onto the pages of history with a warning relevant to his time. He confronts the nation of Israel with the unchanging nature of God and warns them to repent before judgment falls. As we study a period in the history of a nation that had turned its back on God, we draw disturbing parallels with our own time.

With verse by verse commentary and explanatory notes, Amos: A Warning for Today provides a simple introduction to the study of a period of backsliding in Israel's history – and the warning from the prophet which read through modern eyes appears so relevant to our present time.
