Ubuntu: Up and Running shows you the ins and outs of the open source Ubuntu operating system with a complete hands-on tour. In the book you'll learn how Ubuntu works, how to quickly configure and maintain Ubuntu 10.04, and how to use this unique operating system for networking, business, and home entertainment. Specifically you will learn how to:

- Choose among three desktop environments: GNOME, KDE, or XFCE
- Connect printers, sound cards, cameras, webcams, and iPhones
- Use the Linux filesystem with either the desktop or the command line
- Access networking functions, such as file and folder sharing and Internet access
- Get an in-depth introduction to the OpenOffice.org business productivity suite
- Use WINE to run Windows programs
- Implement upgrades quickly and easily
- Find out where to get, and how to install, other great software for Linux
