For as long as she could remember, Emma had wanted a dog. Instead, she got a fish, a hamster, and even a guinea pig. And although Emma loved all these pets, it was not the same as having a dog.

Meanwhile, an abandoned puppy was brought to an animal rescue. And although this little puppy had a warm place to sleep and food to eat, she dreamed of having her very own family to love.

Happily for both, Emma adopts this puppy and names her Dixie, and in each other they find the companionship they've been looking for. *A Home for Dixie* is their uplifting story, enhanced by adorable photography and bonus information on how to support your local animal shelter—and even adopt a rescued dog of your own.
