**A Master Builder** Henrik Ibsen

"Wallace Shawn is one of the most complex and uncompromising moralists of the American theater." - Ben Brantley, *New York Times*

"At once the U.S.'s most profound and overlooked playwright." - David Hare

This translation and adaptation of Henrik Ibsen's *Master Builder Solness* by Wallace Shawn, a writer known for his own bleakly hilarious and provocative plays, was used by legendary director André Gregory during fifteen years of work on a theatrical production which, instead of being produced as a play, was made into a film by Jonathan Demme—a film that is an utterly contemporary vision of Ibsen's classic play.
