A Preparation Guide for the Assessment Center Method Tina Lewis Rowe

This updated and expanded edition continues to provide the concepts and methods that have helped officers of all ranks be successful in local, county, state, and federal law enforcement promotional processes. The book's unique perspective provides insights not found elsewhere and presents them in an informative, entertaining, and encouraging way. Every section from the history of the process to thought-structuring aids that are easy to remember and use contains principles, concepts, and practical application guidelines that will increase assessment scores and improve job effectiveness after promotion. New chapters to this edition include Video in Your Assessment Center, Putting the Process All Together, Command-Level and Executive Assessment Centers, and A Close-up Look at Role-Play. The text is extensively researched, contains real-life testing scenarios, and is based on established supervisory and managerial concepts, plus valid testing and performance techniques.
