Ace of Spiders Stefan Mohamed

Stanly is frustrated. Having set himself up as London's protector, he's finding that the everyday practicalities of superheroism are challenging at best, and downright tedious at worst. So it's almost a relief when an attempt is made on his life and Stanly finds himself rushing headlong into a twisted adventure, with enemies new and old coming out of the woodwork. However, even with his friends and his ever-increasing power behind him, he may have bitten off more than he can chew this time. The monsters are coming ... and nothing will ever be the same!
