Ryan Brennan has worked plenty of jobs for the McCormack Security Agency, so going undercover at a couples resort to identify a pair of killers should be easy. Except his assigned partner—uh, "wife"—is Vicky Hastings. It takes all his willpower to keep their relationship professional, even when they're not sharing a secluded cabin.

Finally out from behind her desk, Vicky can't wait to prove herself in the field. But with Ryan? Their office flirtation cooled when he turned her down after a scorching kiss at the office Christmas party. Working together while sharing close quarters certainly isn't making it easy for her to stop thinking about him.

After a series of escalating "accidents," including Vicky's near-fatal fall from a tampered bridge, the two have to work together to wrap up this case fast, before more than hearts get broken.
