Terrible Estate Agent Photos Andy Donaldson

FOR SALE: From the creator of the viral blog sensation **TerribleRealEstateAgentPhotos.com**, a book of the most baffling property photographs ever taken. With over 100 previously unpublished photos, early viewing is **STRONGLY** recommended.

The mantra 'location, location, location' often concerns buying a house, but some estate agents would do well to apply it to their photography. Should one, for instance, locate the camera in front of a fossilised garden chair? An overflowing ash tray? An elderly relative hustling out of shot? Has thought been spared for the location of that dirty underwear? Those psychedelic curtains?

Out of touch with realty, less Rankin and more plain rank, some of the worst offenders should perhaps consider relocating to another industry. Luckily for us, they haven't yet.

The mystifying property photographs gathered here are an endless source of confusion, confusion, confusion, frustration, frustration, frustration and, perversely, satisfaction, satisfaction, satisfaction.
