J. Winfield Fretz

**The Waterloo Mennonites: A Community in Paradox** J. Winfield Fretz

*The Waterloo Mennonites* is truly a communal book: the substance treats the communal aspect of the Mennonite community in all its complexity, while the book itself came about through communal effort from the students and researchers assisting Fretz, the various organizations and individuals providing support, the larger community including the two universities and Wilfrid Laurier University Press, and public funding agencies.

This book seeks to derive a clearer understanding of the sociological characteristics of a single Mennonite community, beginning with the historical and religious background of the Waterloo Mennonites, reviewing their European origins, their ethnic identification, and their immigration experience. It also examines their basic institutions: religion and church, marriage and the family, education and the school, economics and earning a living, government and how they relate to it, their use of leisure time and methods of recreation. It also looks at the way Mennonites interact with the larger society and how that society responds.

#### **Robert Wilkerson:**

With this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple strategy to have that. What you must do is just spending your time little but quite enough to have a look at some books. One of many books in the top record in your reading list is *The Waterloo Mennonites: A Community in Paradox*. This book which can be qualified as *The Hungry Mountains* can get you closer in getting precious person. By looking upward and review this e-book you can get many advantages.

#### **Jack Morgan:**

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's

country. Therefore this The Waterloo Mennonites: A Community in Paradox can make you sense more interested to read.
