Hun Sen's Cambodia

Sebastian Strangio

Hun Sen's Cambodia Sebastian Strangio

To many in the West, the name Cambodia still conjures up indelible images of destruction and death, the legacy of the brutal Khmer Rouge regime and the terror it inflicted in its attempt to create a communist utopia in the 1970s. Sebastian Strangio, a journalist based in the capital city of Phnom Penh, now offers an eye-opening appraisal of modern-day Cambodia in the years following its emergence from bitter conflict and bloody upheaval.

In the early 1990s, Cambodia became the focus of the UN's first great post-Cold War nation-building project, with billions in international aid rolling in to support the fledgling democracy. But since the UN-supervised elections in 1993, the nation has slipped steadily backward into neo-authoritarian rule under Prime Minister Hun Sen. Behind a mirage of democracy, ordinary people have few rights and corruption infuses virtually every facet of everyday life. In this lively and compelling study, the first of its kind, Strangio explores the present state of Cambodian society under Hun Sen's leadership, painting a vivid portrait of a nation struggling to reconcile the promise of peace and democracy with a violent and tumultuous past.

From reader reviews:

Aaron Mullen:

Precisely why? Because this Hun Sen's Cambodia is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will distress you with the secret that inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the guide store hurriedly.

James Brown:

Hun Sen's Cambodia can be one of your beginner books that are good idea. We recommend that straight away because this e-book has good vocabulary that can increase your knowledge in vocabulary, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort to get every word into joy arrangement in writing Hun Sen's Cambodia but doesn't forget the main position, giving the reader the hottest along with based confirm resource information that maybe you can be one among it. This great information could drawn you into new stage of crucial imagining.

Dorothy Stanek:

Beside this specific Hun Sen's Cambodia in your phone, it may give you a way to get nearer to the new knowledge or information. The information and the knowledge you can got here is fresh from the oven so don't end up being worry if you feel like an older people live in narrow town. It is good thing to have Hun Sen's Cambodia because this book offers for you readable information. Do you often have book but you rarely get what it's facts concerning. Oh come on, that would not happen if you have this within your hand. The Enjoyable set up here cannot be questionable, including treasuring beautiful island. So do you still want to miss this? Find this book in addition to read it from currently!

Sylvia Medina:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Hun Sen's Cambodia can make you really feel more interested to read.
