The Columbus Affair: A Novel (with bonus short story The Admiral's Mark) Steve Berry
A family's secret, a ruthless fanatic, and a covert arm of the American government—all are linked by a single puzzling possibility:

What if everything we know about the discovery of America was a lie? What if that lie was designed to hide the secret of why Columbus sailed in 1492? And what if that 500-year-old secret could violently reshape the modern political world?

Pulitzer Prize–winning investigative journalist Tom Sagan has written hard-hitting articles from hot spots around the world. But when one of his stories from the Middle East is exposed as a fraud, his professional reputation crashes and burns. Now he lives in virtual exile—haunted by bad decisions and a shocking truth he can never prove: that his downfall was a deliberate act of sabotage by an unknown enemy. But before Sagan can end his torment with the squeeze of a trigger, fate intervenes in the form of an enigmatic stranger. This stranger forces Sagan to act—and his actions attract the attention of the Magellan Billet, a top-secret corps of the United States Justice Department that deals with America's most sensitive investigations. Sagan suddenly finds himself caught in an international incident, the repercussions of which will shudder not only Washington, D.C., but also Jerusalem. Coaxed into a deadly cat-and-mouse game, unsure who's friend and who's foe, Sagan is forced to Vienna, Prague, then finally into the Blue Mountains of Jamaica—where his survival hinges on his rewriting everything we know about Christopher Columbus.

Don't miss Steve Berry's short story "The Admiral's Mark" and a sneak peek of his new novel, *The King's Deception*, in the back of the book.

The book The Columbus Affair: A Novel (with bonus short story The Admiral's Mark) has a lot associated with on it. So when you read this book you can get a lot of gain. The book was compiled by the very famous author. Mcdougal makes some research ahead of write this book. This kind of book very easy to read you may get the point easily after reading this article book.

Rodney Natale:

Playing with family in a very park, coming to see the sea world or hanging out with pals is thing that usually you may have done when you have spare time, subsequently why you don't try thing that really opposite from that. I activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Columbus Affair: A Novel (with bonus short story The Admiral's Mark), you may enjoy both. It is very good combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't have it, oh come on its identified as reading friends.

Diana Erickson:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Columbus Affair: A Novel (with bonus short story The Admiral's Mark) can make you truly feel more interested to read.
