The Life You Can Save: Acting Now to End World Poverty Peter Singer

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In **The Life You Can Save**, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. **The Life You Can Save** teaches us to be a part of the solution, helping others as we help ourselves.
