2 Wheels - 2 States - 2 Years: Kruser's Point of View Alec Gould

Kruser, a biker from Wisconsin, wrote for a motorcycle magazine for 2 years. During that time, his "Point of View" was some-what, how do you say? DIFFERENT!

His topics were all related to the biking life, just somewhat, "off-beat" , to say the least.

His topics covered safety to riding with the stars....never a dull moment, but there may be some embarrassing ones.

Unlike most "biker" columnists, Kruser wrote in a manner which was "outside the box". If you are looking for the usual, "oh, what a nice ride" story, you are not going to find many of them in this book. What you will find is some off-the-wall humor and a few "round-the-campfire" conversation pieces.

Word-for-word, these stories are reprinted as they had appeared in the magazine along with the photos which went with those words. A few of these stories are even better than when they were in the magazine. Why? Because they are here in their complete states, nothing removed...

Enjoy my friends! ~Kruser
