## **The Namesake** Steven Parlato

Gifted artist? Standout student? All his teachers are sure certain that Evan Galloway can be the graduate who brings glory to small, ordinary St. Sebastian's School. As for Evan, however, he can't be bothered anymore. Since the shock of his young father's suicide last spring, Evan no longer cares about the future. In fact, he believes that he spent the first fifteen years of his life living a lie. Despite his mother's encouragement and the steadfast companionship of his best friend, Alexis, Evan is mired in rage and bitterness. Good memories seem ludicrous when the present holds no hope. Then Evan's grandmother hands him the key--literally, a key--to a locked trunk that his father hid when he was the same age as Evan is now. Digging into the trunk and the small-town secrets it uncovers, Evan can begin to face who his father really was, and why even the love of his son could not save him.

In a voice that resonates with the authenticity of grief, Steven Parlato tells a different kind of coming-of-age story, about a boy thrust into adulthood too soon, through the corridor of shame, disbelief, and finally...compassion.

### From reader reviews:

#### **Richard Endsley:**

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of publication you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one along with theme for entertaining like comic or novel. The The Namesake is kind of book which is giving the reader capricious experience.

#### **Dwight Case:**

Playing with family within a park, coming to see the ocean world or hanging out with buddies is thing that usually you have done when you have spare time, in that case why you don't try issue that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Namesake, you could enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its named reading friends.

#### **Wendell Radford:**

This The Namesake is great book for you because the content and that is full of information for you who have always deal with world and have to make decision every minute. This specific book reveal it facts accurately using great manage word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with lovely delivering sentences. Having The Namesake in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no e-book that offer you world inside ten or fifteen tiny right but this publication already do that. So , this can be good reading book. Hey there Mr. and Mrs. active do you still doubt in which?

#### **Hayden Wright:**

Reading a book to become new life style in this 12 months; every people loves to study a book. When you examine a book you can get a wide range of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, along with soon. The The Namesake offer you a new experience in reading a book.
