Two brothers. One woman. Three hearts at war.

Katrin of Courtenay's husband is dead—and she doesn't mourn him. He was cruel and controlling, and she doesn't need a husband to hold her northern keep. But her vengeful uncle, the King of England, has other ideas: intent on marrying her off, he's ordered his Viking-bred warrior to return her to court.

On the journey, the Viking captures her interest, and for the first time Katrin understands passion. But her guard is honor-bound to deliver her to the king, and so it is settled—she must wed the mysterious Rafael le Senay, the Baron of Belmaine.

A forced marriage to a stranger slowly becomes something more, and Katrin realizes she is in love with Rafael. But with the shadow of her former lover hanging over her, and Rafael's powerful brother making dangerous plans, can Katrin negotiate the delicate balance between survival and happiness?
