O Império Ecológico (Portuguese Edition) Pascal Bernardin

"A nova ideologia deverá fornecer um 'princípio central e unificador' em torno do qual a sociedade mundial poderá se construir e se definir. Esse princípio deverá formá-la por inteiro, permiti-la definir tanto os objetivos sociais quanto as normas de comportamento individual, ser aceito pelos povos do Ocidente e do Oriente, do Norte e do Sul. Ele deverá evitar confrontar qualquer sensibilidade religiosa ou 'filosófica', mas, ao contrário, fazer avançar a causa sincretista e a aparição de uma religião mundial.[...] A presente obra mostrará que a ideologia ecológica preenche todas essas condições sem nenhuma exceção. Ela visa a provocar uma mudança de paradigma (idêntica àquela apregoada pela Nova Era), uma modificação do conceito de Deus, do homem e do mundo com conseqüências inestimáveis. Assim, colapsa a concepção cristã do homem, criado por Deus e colocado ao centro da Terra, substituída pela perspectiva holística que nos quer o produto - mal - da evolução, o ápice da cadeia evolutiva.[...] A Criação é portanto sacralizada, sem referência ao Criador. A ecologia, o respeito pela Criação, obra de Deus, é subvertida e veicula uma concepção pegã e revolucionária da natureza. O homem, e ainda mais o indivíduo, apaga-se diante dos imperativos da 'gestão sustentável' do planeta. De tal modo a antropologia cristã, norma cultural e social que subsiste ainda, ao menos inconscientemente, nos espíritos, desaparece, e a civilização global pode ser edificada".

From reader reviews:

Betty Castaneda:

What do you regarding book? It is not important together with you? Or just adding material when you need something to explain what the one you have problem? How about your free time? Or are you busy man or woman? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this O Império Ecológico (Portuguese Edition) to read.

Jaime Leflore:

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make these individuals keep up with the era and that is always change and advance. Some of you maybe will certainly update themselves by reading through books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what type you should start with. This O Império Ecológico (Portuguese Edition) is our recommendation to make you keep up with the world. Why, as this book serves what you want and wish in this era.

Roger Cooper:

Information is provisions for anyone to get better life, information these days can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is within the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take O Império Ecológico (Portuguese Edition) as the daily resource information.

Grady Meraz:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book had been rare? Why so many problem for the book? But any kind of people feel that they enjoy for reading. Some people likes looking at, not only science book but also novel and O Império Ecológico (Portuguese Edition) or maybe others sources were given understanding for you. After you know how the truly great a book, you feel desire to read more and more. Science reserve was created for teacher or maybe students especially. Those publications are helping them to put their knowledge. In additional case, beside science e-book, any other book likes O Império Ecológico (Portuguese Edition) to make your spare time much more colorful. Many types of book like here.
