Siembra de los Mediums (Spanish Edition)

Francisco Candido Xavier

Siembra de los Mediums (Spanish Edition) Francisco Candido Xavier

Incomprendida y relegada al oscuro dominio de los iniciados, la mediumnidad solo ocupó el lugar que le correspondía cuando Allan Kardec la estudió en profundidad. Como consecuencia de esos estudios surgió El Libro de los Médiums, desmitificándola, al presentarla como una facultad inherente al ser humano, que debe ser estudiada y comprendida on responsabilidad y dedicación. Com mensajes cortas y profundas, el Espíritu Emmanuel nos ofrece un detallado estudio acerca de esse libro imprescindible, considerando el aspecto religioso que la obra presenta y destaca, com conceptos claros, la importancia que tiene la facultad mediúmnica em nuestras vidas. Imperdible para todos aquellos que desean ampliar sus conocimientos acerca de la mediumnidad, es también un precioso manantial de reflexiones, siempre actuales, que posibilitan una más amplia compresion del fenómeno mediúmnico.
